**In our preschool room you will see little ones learning to love learning!
We make it fun and engaging with a wide variety of activities and experiences.**

**At James Valley Christian we will learn through reading, writing, and math,
and also through music, art, building, movement, the outdoors,
interacting with other children, thinking, and reflecting.**

**Early childhood education is the perfect place to discover God's world
in ways that make sense to each individual child.**
