### 69th Annual Corp. Mtg. Highlights

The Annual Corporation meeting was held on Monday, July 22.

Business included secretary, financial, development, and administrative reports. There was no old business. New business included the election of Advisory Board members.

A key highlight from the administrative report is that we are working through an external review of our policies and procedures with the Association of Christian Schools Int'l.

Please stop by the office to receive a copy of the annual report, which contains additional details.
