Sophomores Anticipate Christmas Break

We asked JVC sophomores about their Christmas break plans. Enjoy some of their responses.

- Cole Anderson - I am most looking forward to being able to relax and spend time with family. Also the morning of Christmas.
- Gavin Waldner - I can't wait to see my brothers and my niece McKinley.
- Luke Miller - Spending time with my family who is coming from NC is what I'm looking forward to.
- Olivea Gross - I am looking forward to having no homework and spending time with family.
- Rylin Wipf - What I am looking forward to the most during Christmas break is hanging out, relaxing and spending good quality time with my family. I am also looking forward to the unhealthy amount of junk food I will most likely consume while watching *The Grinch* on repeat.
- Gian Estrada - I'm probably looking forward to the food and the presents.
- Morgan Papka - I am looking forward to spending time at home with my family and people I haven't seen in a while.
