### Livestream Help

Each season we have many requests for us to livestream JV games along with the varsity. We would love to be able to offer this service, but we need volunteers! If you can help, please contact Ms. Walter at [k.walter@jvcs.org](mailto:k.walter@jvcs.org).

### Apply for Second Semester

Visit our website to learn more about our school or to apply.

If you'd like to tour or sit in on a class, call 605-352-7737 to make an appointment. We want to visit with you!

### We Fight Together

In support of our JVC family members who are currently fighting cancer, we have t-shirts to wear at the basketball games on January 14 with ORR. Funds from the shirt sales will go directly to the families. Place an order at [www.jvcs.org](http://www.jvcs.org) (click "We Fight") or scan the QR code.

### Viking Discount Cards are available in the office.

### Sophomores Anticipate Christmas

We asked JVC sophomores about their Christmas plans. Enjoy these responses.

Elisabeth Hamilton - I'm most looking forward to hanging out with my siblings and eating good food!

Alesha Andreas - I'm looking forward to eating all the different kinds of Christmas cookies I'm going to make.

Hadasah Olson - What I am looking forward to most during Christmas break is watching movies and drinking hot chocolate.

Navé Gross - I am mostly looking forward to flying to Colorado and seeing my sister Charlie and my baby niece!

Ellie Kempf - I'm looking forward to helping to prepare our meal and being able to have family time.

### Passion + Science Education + Professional Experience

JVC seeks a 7-12 science teacher for the 2024-2025 school year.

If you have a passion for teaching a biblical worldview, a degree in science, and professional experience, JVC may be able to help you with pursuing alternate certification to become a science teacher at our school.

Please reach out to Dr. Zajicek to explore making an impact at James Valley Christian.

**Prayer Corner** - Each school day morning, JVC staff members meet to pray for our families.
