Parent Reminder about Sycamore

In case you missed the emails we sent about Sycamore, we wanted to make sure you had this information. The Sycamore App is no longer available for our use. If you still have it on your devices, please delete it. We are unable to update that information. So, though you may still be able to access it and even see the calendar, it will not have current information.

We are still using Sycamore; however, you must access it through a browser like a regular webpage rather than through an app. A quick way to find it is by clicking the Sycamore icon at www.jvcs.org. If you need help logging in, please call the school. Jeanna is happy to walk you through the steps.

Cleanathon 2025 Set for April 30

On April 30, students, staff, and volunteers will clean ditches and participate in other community improvement efforts in the area. The Cleanathon gives us an opportunity to work together in groups of all ages on projects that bless our community and demonstrate our care for God's creation.

Our yearly Cleanathon is also a fundraiser in which JVC students play an especially vital role by submitting the names of individuals to whom they would like to send requests for a pledge. These friends and family members may donate on behalf of the student. In a couple of weeks, we will mail these pledge requests. Gifts may be given by placing a check in the mail or by using our website.

Thank you for helping us make this a great fundraiser!
