Enrollment Applications

We are excited to begin enrollment for the 2026–2027 school year! Students currently in grades K–11 will be automatically enrolled for next year and do not need to submit a new application, unless a parent provides written notice of a change in enrollment status.

Students in our Early Education program and those entering Kindergarten must complete a new application. Applications are available on our website at www.jvcs.org or in the school office.

Tuition costs and fees for the upcoming school year are available online. Simply click the “Tuition” button on our website for detailed information.

Enrollment fees for current students are charged to your account the first of April and can be paid with your April tuition. Enrollment fees for new students are due when your completed application is returned.

If you have any questions, please contact Mr. Engel or Mrs. Niederbaumer. For billing questions, please contact Mrs. Evenson at bookkeeper@jvcs.org. We are happy to assist you!

Dinner Theater Needs

Thank you to everyone that has donated or let us borrow items for the dinner theater this year! We are grateful for your support!

We are still in need of a few wall-mounted candle holders (sconces)

similar in look to the one pictured. If you have some that you would be willing to donate or let us borrow, please contact Mara at development@jvcs.org or by calling the school.
