Fruit Sales Continue

Our 7-12 Athletes are continuing to sell fruit, cheese, jerky, and nuts to help boost the athletic fund. All proceeds help pay for officials, equipment, jerseys, and transportation for all of our sports. Find one of our athletes and they can take down your order or they can send you an online link for you to order at your convenience.

Fruit sales run through November 4th and deliveries will be made towards the middle of December. Thank you for your support of our JVC athletes!

Help Us Create Financial Breathing Room

At James Valley Christian School, we strive to keep Christian education affordable for families. Because tuition does not cover the full cost of educating each student, we depend on the generosity of Christian believers who share our vision and desire to see our mission fulfilled.

Our \$200,000 operating line of credit serves as a financial buffer, helping us manage the ebb and flow of school expenses. Over time, however, the balance has gradually increased, and the line is now fully utilized. Would you prayerfully consider making a special gift to help bring down this balance? Your generosity would provide much-needed breathing room and strengthen our ability to continue providing biblically based education, transforming hearts and minds to impact the world for Christ.

Thank you for faithfully partnering with us in this important ministry!
