Executive Committee Meeting Agenda

The Executive Committee will meet on October 12 to prayerfully address several important matters for James Valley Christian School. The committee will review the guidance surrounding the Federal Educational Tax Credit Program and begin making plans for how JVCS can best take advantage of this opportunity for our school and families.

The committee will also finalize revisions to the homeschool application, receive reports from the administrative team, and participate in board training to strengthen our leadership and governance.

As always, we will set aside time to pray for our school, our students and families, our faculty and staff, and the continued work God has entrusted to us at JVCS. We are grateful for the opportunity to serve together and seek God's wisdom for the future of our school.
